Message From Angie

What a fantastic year we have planned. Its scary how Christmas was only 2 months ago but it feels like the year has flown by all too quickly. I have been very busy with my children. It has been a big milestone this year with Bailey starting Prep at his new school and turned 5 last October. Madison turns three in July and keeps me on my toes. She keeps me busy with her trips to the hospital. We had her in last year for pneumonia and back a few more times for the dreaded croup. She is turning into a smaller version of Bailey. I now know how people feel when they say they feel like a taxi driver. Our social activities with the kids keep me in my car most afternoons. Bailey trains and races his BMX Bike, plays soccer, swims and rides his motor bike. Wow -I get exhausted just thinking about it. But he loves it and is pretty good so all we can do is encourage him. Madison only does swimming at this stage but wants to start dancing.

I don't get as much time to sew as I would like, but I still work at Springwood if any one needs me. I hope to see some of you at the next craft show in a couple of weeks, so pop into the Bernina Stand and say hi. We Have some great new products, sewing machines and software for you all to get excited about. More about that later in the newsletter. Our Website is proving to be very popular with our database increasing daily and our products now going interstate and overseas, a lot of hard work goes into it so it great to see the results. You can view the class list at any time on the website www.sewingworld.com.au. We would also like to thank our wonderful staff members for doing a fantastic job at both stores. Well done Angela, Cathy and Deanna.

Message From Irene

Thank you for your growing support over the last 20 years. Please feel free to contact at any time if you need some help or support. It has been a hard year with both my parents being unwell. My mother broke her hip on boxing day but is making a slow recovery. They are both back in their home now and things hopefully will settle done. They are doing very well considering they are 95 years old.

My sewing room has a hive of activity going on. This is where I prepare for my classes and make a lot of the samples for the shops. My doll collection is growing at rapid speed with most of them offered as a kit. If you haven't seen them pop into Springwood for a look. Once again, thank you and I look forward to working with you all this year.
